OUR ASSOCIATED BRANDS

Showroom

Radhamadhav marbles (P) Ltd. Was established in 1990 under the vision of Mr. Ramesh chand ladha, who recognized the need to offer premium products and services using top line technology and infrastructure.

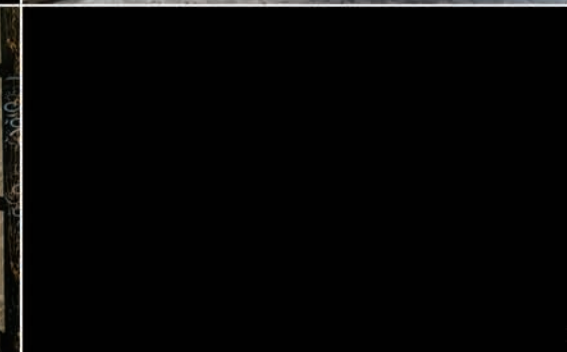

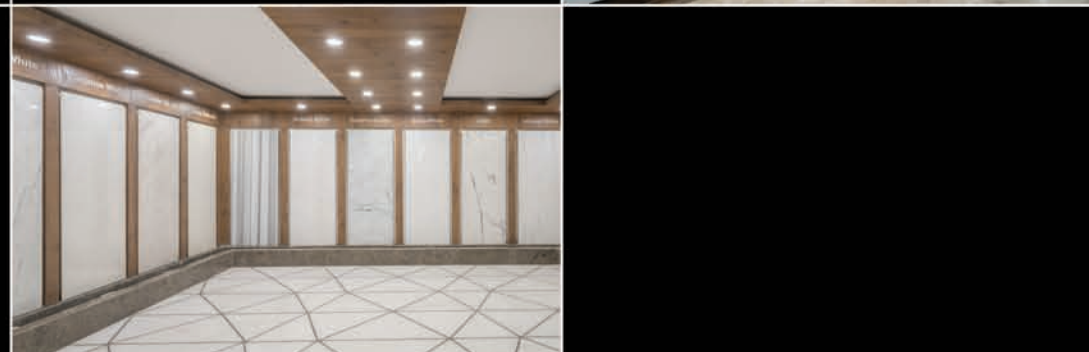

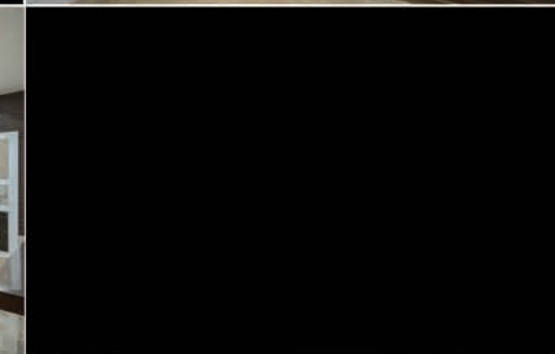

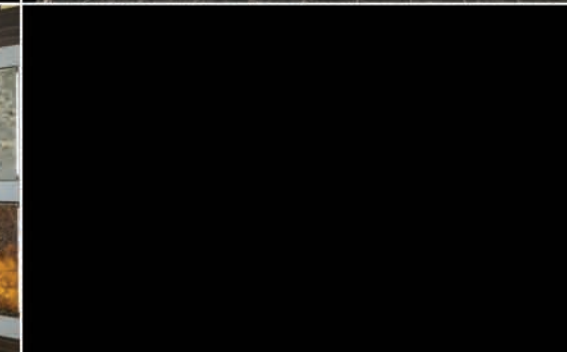

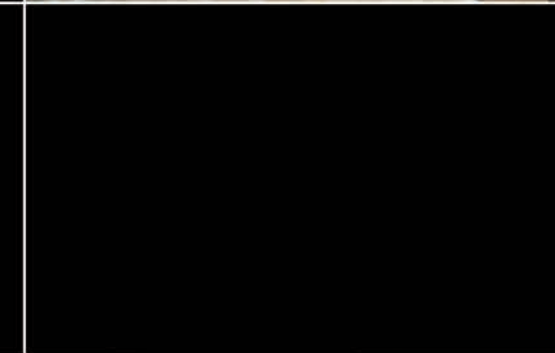

Today radhamadhav marbles (P) ltd. is a leading company in India as a Processors, Traders, Importers & exporters of various marbles, granites and engineered stones. Our business house prevails an atmosphere of perfect co-operation and co-ordination. The company has inherited a legacy of dedication, quality and customer focused approach under the dynamic leadership of Mr. Ramesh Chand Ladha (Chairman), Mr. Dushyant Ladha (Managing Director) and Mr. Raghav Ladha (Sales Director) who have revolutionized the marble industry by introducing more than 300 types and varieties of natural stone. These exclusive range of marbles have created huge impression both nationally and internationally and this makes RADHAMADHAV MARBLES (p) LTD the India's one of the largest trading company. Now It is a trusted name known to India's major construction houses, developers, architects and numerous satisfied customers.

Radhamadhav marbles also feels pride itself as being the one of the largest exports of finished marble, granites and sand stones to over 12 countries globally across Europe, middle east, south America and Africa.

From the past decade we have been the biggest importers of marble blocks from Italy, Turkey, Croatia, Spain, Greece, Portugal , china and Egypt. We import the finest blocks with carefully personal supervision and process them at India's best processing plants. The rich variety of naturals stones that we offer are marked by exquisite designs. Our collection is known for excellent in beauty, endurance and textures.

Today we are the only company in India who is dealing in multiple products lines under one roof such as imported marble, engineered stones, granite, ceramic tiles , textured stone, furniture, semi-precious stone , porcelain laminam, acrylic fibre stones etc.. This makes our company the one stop solutions for the interior and exterior needs of our clientele.

Showroom

We procure quality marble blocks directly from quarries

We have adequate stock of material both in form of blocks and slabs.

We process our materials at modernised and best processing plants of india.

Why US.. ?

- We are the only trading company in india who is serving the multiple product lines under one roof giving the one stop solution to our customers.
- The largest range of Indian and imported marble, exclusive variants available no where else, the highest accreditations, the most illustrious clientele and unflinching dedication to customer satisfaction and customer focused approach.
- Be it a individual homes or complete townships, the company is equipped to supply marble on demand based on each customer requirement.
- Radhamadhav Marble (P) Ltd. Also offers unparalleled quality assurance backed by our consistent ISO 9001 certification.
- Our mantra is to use our expertise to cater to each customers need by offering excellent products, premium quality and services at competitive and effective prices. Strict to the schedules for times bound delivery.
- We consistently manage large volume stocks in both slabs and blocks in adequate quantities to full fill customers demand.
- We believe in customer centricity.

- We believe our job doesn't ends but it actually start after the sales has been done.
- We are providing complete technical support such as stone fabrication, polishing, site supervision and the different types of chemicals epoxies and grout as per the requirement of the stone to our customers.

Product Features:-

- We provide marble stone in Gangsaw size slab, cutter size slab and cut to size tiles as per the customer specification in any quantity and size.
- We process marble in five standard thickness- 16mm, 18mm, 20mm, 30mm,
- We process the marble slabs through the PEDRENI resin liner plants and the best imported epoxy (50% UV Grade) are used for the filling treatment process.
- We have expertise in different stone finishes- diamond polish , antique finish, honed finished, leather finish, sand blasted finish, flamed finish, Poly streak finish, lapato finish, river finish, acid wash finish and antique groove finish, CNC Tabs finish, water zet blast finishes.

FOCUS: WE STRIVE TO PROVIDE MATERIALS WITH :-

- Uniformity in colour
- Accuracy in thickness
- Symmetrical texture and pattern
- Premium quality at cost effective prices
- Strict adherence to schedules
